### Details:

Trebbiano is widely produced in Italy, but is a rare wine to find in our part of the world. We grafted this varietal into our Estate Vineyards in 2012, making us one of the few producers in California of this delicate and refreshing white wine. Our Trebbiano fruit was handpicked in the cool of morning, then carefully whole-cluster pressed to our stainless steel tanks. A long and gentle cold fermentation maximizes its delicate aromas and flavors.
